## The Windows you know, only better

Windows 10 feels familiar so you can get more done from the get-go. The Start menu is back with space to pin your favorite apps. And simple navigation means you don't need to spend much time learning anything new.

## Universal Apps, including Office

The Store in Windows 10 is a one-stop shop for hundreds of thousands of apps including games, music, videos, as well as a new version of Office.

## Enterprise-quality security

Windows security features are designed for the world's largest enterprises and governments. And the foundation is built into all Windows editions, so every business small to large can benefit from it. Windows 10 helps you secure devices, user identities, and data.

## Cortana's got your back

Cortana is your truly personal digital assistant who works across all your devices to help get things done.†

## Simpler setup and management

Whether you have a new Windows 10 device or are doing an in-place upgrade from Windows 7 or 8, setup is quicker and easier than ever before with Windows 10 – and only a light touch is required to manage your devices and stay current with the latest Windows feature updates in the way that works best for your business.

## Take your gaming further

With Xbox on Windows, play and connect with your games and friends. Everywhere.‡
