# TechSmith Snagit™

Use Snagit All Day, Everyday

Snagit is a premium screen capture tool that allows you and your team to work faster, communicate more effectively, and share what can't be put into words.

Make Snagit Yours

- Customize capture settings on the fly and automate routine capture tasks
- Capture tall, wide, or infinitely scrolling content with Snagit's innovative Panoramic Capture
- Quickly share your creations with anyone, anywhere

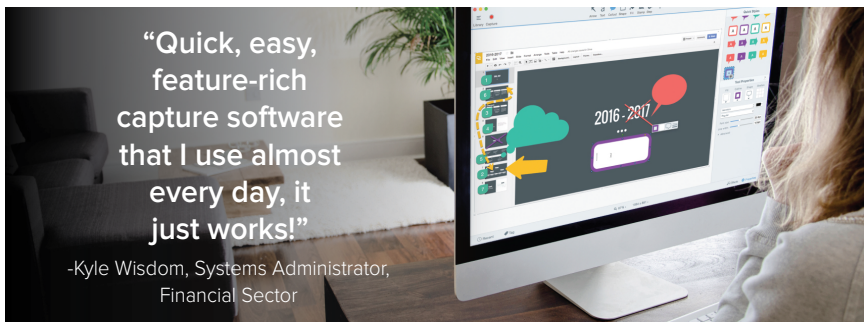

Communicate Clearly

- Easily record video without being a video pro
- Create an animated GIF when a static image isn't enough but video feels like too much
- Connect with your viewers on a more personal level with webcam recording
